

Accessorise

Flower accessories are still popular along with flower print so make your outfit unique and add a flower for a personalised touch

Wear

Lace and embroidery are the newest trends this season. Look out for these styles in your favourite stores and find a style that suits you. There are lots of casual looks available too

Chequered shirts

Hot, hot, hot! There are many styles and colours to choose from in chequered shirts right now. They will give you a modern and youthful appearance

Faded denim

Jeans in faded denim are making a comeback and all the better with zips and rips. Visit your favourite jean retailer to help you with a perfect fit

Formal

Get away from the blues and whites and try something new. Purple is a trend this season
